Hi Nicolas,

I have not yet established a working relationship with a charter school attorney other than Annie Marquit at Public Counsel.

Sarah Kollman and I, however, have a call scheduled tomorrow to discuss our Prop. 39 application. I took Sarah up on her offer last week to email her if we had any application questions. I will also be speaking to Janelle Ruley (also from YMC) to discuss partnering with them as official legal counsel (beyond Prop. 39).

Sincerely,

Ruben

Hello Ruben,

Thank you for contacting us regarding CCSA's Prop 39 Pro Bono Review Program. I will add Excelencia to the Pro Bono Review Program list for this school year. Has your school established a working relationship with charter school attorneys? [Young, Minney & Corr](#) and [Procopio](#) are the two firms that provide pro bono services to CCSA member schools under the Pro Bono Review Program. Please let me know if you have worked with either of these firms, and we will get you started in the program.

Best Regards,

Nicolas Watson
